Mrs. Nandhini Krishnan

Dear Nandhini,

with deep sadness we heard about the death of Father John Suresh. We are shocked and filled with grief. We would like to express our sincere condolences to you and to everyone on the team around you. We mourn with you.

Father's incredible commitment for more sozial justice and for the empowerment of Dalits, has changed the lives of many people in India. His courage, determination and commitment have impressed us and many people in many countries.

We experienced Father as a man, who motivated, inspired and encouraged people to stand up for others. His death is a big loss and we can probably only guess how big the gap is for you, Nandhini and for the people around you, who could benefit from Fathers spirit every day.

Personally, we miss Father's goodness, warmth and humor. But we will try to carry on his spirit. We will stay behind you. We will support you, to carry on Fathers work and Fathers ideas.

In deep compassion
